2.2. What are we doing?

- › We are adding CRA-relevant information to the operating instructions.
- › The correct use of the products is being restricted.
- › We are updating the CRA status on the CRA Product Status page.
- › We are here to help you with any questions you may have about the CRA in relation to our product.

2.3. What should you do?

- › Check the CRA Product Status page regularly:
www.euchner.com/de-de/service/cybersecurity/cra-produktstatus/
- › Once EUCHNER has updated the operating instructions, the device will be listed as CRA-compliant.
- › Check whether your use of the device complies with the amended specifications on correct use in the updated operating instructions.
- › Always use the latest version of the operating instructions for your product version.

2.4. Schedule

The amended operating instructions are expected to become available in Q4 2026.
